DEDICATION

This year is particularly noteworthy in that it marks the ending of a six year service by an individual. Mr. Rizzuto is certainly not unknown to the students of St. Joseph's. He has held the position of guardianship of the undergraduates. His willingness to go out of his way to help students as well as faculty in the school is a well known fact around the campus. No problem is too small or too large for his attention.

In May of 1972 Mr. Rizzuto will leave St. Joseph's. This is a great loss to us because we will miss seeing him outside and around the halls, greeting everyone and cheering us up when the chips are down. And so, Mr. Rizzuto, good-bye and farewell and may all our love go with you.

Most Reverend
FRANCIS J. MUGAVERO, S.T.D.

His Excellency greeting some students

SISTER MYRA PAUL MANSFIELD

One generation passeth away, and another generation cometh; but the earth abideth forever . . . The sun also ariseth, and the sun goeth down, and hasteth to the place where he arose . . . The wind goeth toward the south, and, turneth about unto the north, it whirl-eth about continually, and the wind re- turneth again according to his circuits . . . All the rivers run into the sea, yet the sea is not full; unto the place from whence the rivers come, thither they re- turn again!

*There is a season for everything,
and a time for every purpose under the heavens:
A time to be born, and a time to die;
a time to plant, and a time to uproot the plant.
A time to kill, and a time to heal
a time to tear down, and a time to build.
A time to weep, and a time to laugh;
a time to mourn and a time to dance.
A time to scatter stones, and a time to gather them;
a time to embrace, and a time to be far from embraces.
A time to seek, and a time to lose;
a time to keep, and a time to cast away.
A time to rend, and a time to sew;
a time to be silent, and a time to speak.
A time to love, and a time to hate;
a time of war, and a time of peace.*

The restrictions that education and custom impose on a woman, now limits her grasp on the universe; When the struggle to find one's place in this world is too arduous, there can be no question of getting away from it. Now, one must first emerge from it into a sovereign solitude. If one wants to try to regain a grasp upon it: what woman needs first of all is to undertake, in anguish and pride, her apprenticeship in abandonment and transcendence: that is, in liberty.

with the knowledge, understanding

Automation has revolutionized much of our society, but yearbooks still require much individual attention. T. O'Toole and Sons, one of the first printers in the nation to produce yearbooks by offset brings to you progressive ideas tempered by experience and a reputation for painstaking workmanship. Our factory trained sales staff is always available for individual advice. Because of their back-

grounds in the printing industry these representatives can easily solve any problems you may encounter with yearbook production—themes, layout, use of color, fitting copy, line drawings, advertising, proofreading and photography. Our modern plant extends a constant invitation to yearbook staffs and their advisors. Feel free to stop in at any time for an introduction to today's printing.

*Remember me when I am gone away,
Gone far away into the silent land;
When you can no more hold me by the hand,
Nor I half turn to go yet turning stay.
Remember me when no more day by day
You tell me of our future that you planned;
Only remember me; you understand
It will be late to counsel then or pray.
Yet if you should forget me for a while
And afterwards remember, do not grieve;
For if the darkness and corruption leave
A restige of the thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.*
